AI SKILLBRIDGE × HEC × NAVTTC × PMYP

You're one of the top 6,000.

Selected for Pakistan's largest national AI initiative — under the Prime Minister's vision.

Dear Laraib Batool,

مبارک ہو!

Congratulations!

Out of more than **80,000 applicants** nationwide, you have been **selected as one of the top 6,000 students** across 100 universities to join ACT AI — the biggest AI initiative ever launched under the **Prime Minister's Youth Programme**, delivered together by AI SkillBridge, HEC, and NAVTTC.

This is your place in it:

CLASSES BEGIN

Monday, 8 June 2026

YOUR UNIVERSITY

International Islamic University, Islamabad

Your class schedule

STARTS MONDAY 8 JUNE 2026

Days **Monday, Tuesday & Wednesday**

Your batch **Batch 1**

Your time slot **2:00 PM - 3:30 PM (PKT)**

Venue **Your campus Smart Classroom**

Duration **8 weeks (2 months)**

Before your first class — please read

- Sessions are **in-person** at your own university's HEC Smart Classroom — **not** streamed to your home. They are broadcast live from the HEC Central Studio in Islamabad to your campus.
- Reach the Smart Classroom **10 minutes before** your slot so you're settled and ready.
- **Bring your own laptop if possible.** Each Smart Classroom has around 30 computers, and there will be hands-on practical work — your own laptop guarantees you a workstation.

One step to confirm your seat

Join your batch's WhatsApp Community. This is where every schedule, announcement, and update will be shared — joining is how you confirm your seat, so please do it right away.

How the WhatsApp communities work

Your batch has a **Primary community** for everyone — join it first using the button below. If it is full and you cannot join, use the **Secondary community** link instead. You only need to be in **one**.

Join Primary Community

Primary full? Join the [Secondary Community here](#).

Please join your community **as soon as possible** — seats are limited and confirmed on a first-come basis.

On your first day

Bring your **student ID card** and your laptop, and be seated 10 minutes early. In the very first class on **Monday, 8 June 2026**, your instructors will walk you through the **student portal** — where you'll submit assignments and take quizzes throughout the program. You don't need to set anything up beforehand; just show up ready.

Finding your Smart Classroom

Every participating university has a focal person and an HEC Smart Classroom. Ask your university administration for the Smart Classroom location and access. If the classroom is locked, not working, or unavailable, let us know immediately on WhatsApp or by email so we can resolve it with your university.

Why this is a golden opportunity

On completing the program, every student receives an official certificate jointly issued by the **Prime Minister's Youth Programme, Higher Education Commission, NAVTTC, and AI SkillBridge**. A certificate carrying all four names holds real national weight — it marks you as part of Pakistan's frontline AI talent.

What top graduates can unlock

The strongest performers from ACT AI will be considered for **scholarships, fully funded paid programs, and internships** across the Prime Minister's Youth Programme, HEC, and AI SkillBridge — along with further opportunities to grow as AI leaders. This summer is your chance to prove you belong at the very top.

One rule to earn your certificate

You must maintain a minimum of **75% attendance** to receive your certificate and stay eligible for these opportunities. If you do not attend the first session or stop attending, your seat may be released to another student. You're one of the top 6,000 — now stay at the top.

Questions? We're here to help

WhatsApp support: **0301 0013282**

Email: **info@aiskillbridge.pk**

Welcome to the top 6,000. We can't wait to see what you build. See you in class on **Monday, 8 June 2026**.

Warm regards,

ACT AI Program Team
